RE: Price Bulletin #325

EFFECTIVE: September 12, 2010 (A100 Production Cycle)

BASE MINIMUM PRICE: \$1.4084/KG (live)

- Base price for A100 is a 0.72¢/kg increase from the A99 base price of \$1.4012/kg (live). The increase is due to an increase of 0.97¢/kg in the Ontario live price formula and a reduction of 0.25¢/kg due to the six cycle price agreement.
- The A100 base price is 2.50¢/kg over Ontario's initial posted live price and is consistent with the pricing agreement between the CFS, Lilydale Foods Inc. and Prairie Pride Natural Foods Inc.
- Processors will pay for all DOA's and the first 1.5% condemned parts (trim).
- Payment will be based on barn average weight.
- Contact your processor for weight specific pricing ranges.

NOTE:

- Growers, please pay close attention to your agreed upon weights.
- If you have any questions regarding the above information please do not hesitate to call the board office.
